## RELEVANT EXPERIENCE

**MSU Union**, East Lansing, MI

October 2021 – present

*Management Assistant*

- Develop effective strategies for efficient event set-ups by organizing and distributing diagrams and documents to a team of two supervisors emphasizing customer satisfaction and consistency.
- Collaborate with a team to train new hires on job duties by effectively communicating and delegating routine upkeep tasks in a 200,000 square foot building amongst student supervisors.
- Attend bi-weekly meetings to brief team leaders on the current state of operations and improvement plans.

**Christensen's Plant Center**, Plymouth, MI

May 2020 – August 2021

*Receiving Team Lead*

- Led a crew of five or more crew members to load/unload incoming merchandise using efficient leadership methods to promote and increase productivity.
- Worked with a crew to inspect the quality of thousands of items in stock by delegating job tasks effectively to guarantee precision.
- Ensured the quality of incoming merchandise by documenting items, logging invoice data entries, and verifying up to 20% of defective items to support product integrity and uphold company reputation.

**MSU Union**, East Lansing, MI

Sept. 2019 – April 2020

*Facilities Building Worker/Student Supervisor*

- Assisted supervisors in developing effective strategies for efficient event set-ups for organization clients by distributing worksheets amongst student employees to complete collaboratively.
- Ensured a safe and sanitary work environment by maintaining common areas, restrooms, and hallways.
- Completed work requests by setting up and clearing out event set-ups, restoring rooms to their original state and upkeep spaces when not in use to maintain a clean and welcoming environment for visitors.

**Del Taco**, Dearborn Heights, MI

Sept. 2016 – April 2018

*Team Member*

- Prepared a variety of food options for customers with a focus on meeting SOS (Speed-of-service) goals to maximize company sales.
- Worked collaboratively alongside team members to expedite food orders in a timely manner with a focus on company standards.
- Effectively ensured quality customer service during high volume and fast-paced operations.
